

Sir,

This is in response to your previous communication regarding empanelment of IRIS in the LOBA HEALTH SCHEME. Please find our scope of services for empanelment in the LOBA health Scheme. As discussed, we are one of the leading Rheumatology centres in the country with attached ancillary clinical and para clinical services. The scope of our services is being provided as an attachment.

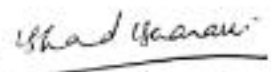

We are keen to partnership with LOBA for the proposed health scheme and would like to offer a **flat discount rate of 10 % on all our services and express OPD services based on a prior appointment**. For appointments and other details, kindly contact **8281445394 (Ms Sindhu, Reception)**.

Sincerely,

Place: *Trivandrum*

Date: *7/2/2019*
