Sir,

In response to our previous communication regarding the empanelment of SRS Hospital in the LOBA Health Scheme, I am pleased to provide you with the scope of our services.

As discussed, SRS Hospital is a distinguished urology and orthopedic center, renowned for providing exceptional medical care and a wide array of ancillary clinical and para-clinical services.

We are enthusiastic about the prospect of partnering with LOBA for the proposed health scheme. In line with this, we would like to extend a flat discount rate of 10% on all our services, including OPD services which can be availed based on prior appointments.

For appointments and further details, please feel free to contact +91-9895843711.

We look forward to the opportunity of collaborating with LOBA and contributing to the success of the health scheme.

Dr. Rakesh Rollands
MBBS, MS, FAGE-MCh Urology
Fellowship in Laparoscopic Urology

SRS Hospital specializes in urology and orthopedics, boasting state-of-the-art facilities dedicated to the treatment of a wide range of conditions. Our hospital is equipped with cutting-edge technology for the management of urinary calculi, offering advanced procedures such as laser treatments. Additionally, we excel in addressing prostatic diseases and urological malignancies, ensuring comprehensive care for our patients.

Moreover, our expertise extends to keyhole surgeries within the realms of general surgery and orthopedics, employing minimally invasive techniques to optimize patient outcomes. Complementing our surgical capabilities, we feature a sophisticated ultrasound machine alongside an in-house radiologist, facilitating prompt and precise diagnostics.

Furthermore, we take pride in our roster of visiting consultants in nephrology and respiratory medicine, enhancing the breadth and depth of specialized care available at SRS Hospital.
